A NEW ENTERPRISE ON THE POTOMAC.—The Industrial Home Company, a co-operative association of mechanics and farmers, have recently located at Gunston, on the land owned by Col. E. Daniels, who has been for some time maturing a plan for employing the idle labor of the country. The pioneer force arrived on the ground about a month since, and are putting the place in order to receive accessions as proper parties may apply. The design is to build up all mechanical and agricultural pursuits necessary to make a self-supporting community.

All work for the company of which they are members, and the proceeds are divided equitably between labor and capital. Labor shares the risk and the profits. Machinery is called in to aid labor in all places where it is possible. It is the ally of hand labor instead of its competitor, making the profits greater and the work lighter. The parties here are mostly from Vermont, skilled in various departments of wood work. They will erect a factory as soon as possible, and will employ light employments not only for men, but for women and children.

Members are compelled to pay a certain entrance fee or own stock of the company, and to be temperate, cleanly, peaceable and industrious. They all board at a boarding house kept by the company and pay for it in work. Schools will be established to educate children in work as well as books. If this enterprise succeeds it will be followed by similar ones all along the Potomac. It is a better way to relieve labor than by strikes. In fact it is the only true mode of relief in the hands of the unemployed. The system is very successful in many cases West, and is being largely introduced in Europe. It will certainly be a great benefit to this part of Virginia to employ her young people in the various mechanical pursuits and keep our money at home.

THE OUTLET LOCK.—The Washington Post says:

The steam packet, Maryland, of the canal company, was yesterday successfully passed through the outlet lock. This work, which is the largest of its kind in the world, has been completed in Scotland and Germany. The Lock and Dock Company was organized in 1874, and work commenced in April 1875. When the lock was completed, some months afterward, it was found that the gearing apparatus was not heavy enough to pass, and it was replaced by more substantial machinery. When this was done about 25 boats were locked through, until the 30th of last May. On that morning after two boats had passed to the river, and as the caisson or tank was moving up the incline, the axle of the north rope wheel broke. When this gave way the tank rose, its heavy counterweights came down, the plane at a fearful speed. One man was killed outright, and two more so hurt that they died of their injuries shortly afterwards. In the month of February previous to this, however, the Chesapeake and Ohio Canal Company had leased this property from the original company, and the work was continued. The first mentioned company immediately commenced repairing the break, and have put in machinery which is on an average over 200 per cent. stronger now than before. Quite a number of persons were present yesterday to see this third and successful trial of the lock. The enterprise has cost over \$150,000 since its commencement.

MONDAY'S CONCERT.—Messrs. M. Hill & Co., the lessees of Saxe Hall, are certainly entitled to the thanks of this community for their enterprise in securing here a repetition of the concert recently given in Washington by the Mendelssohn Society of that city, under the direction of Prof. J. Remington Fairbank. This society achieved a most brilliant success at its debut, and at the same time made known to music lovers of the Capital one of the most original, masterly, and yet pleasing works of a contemporary composer—the Sacred Idyll or Cantata, (or, as it may perhaps be better understood, a short Oratorio), "Rebekah," by Joseph Barbey. This beautiful work is, also the main feature of the concert here, together with preceding "part," embracing the most selected selections. The soloists will be Miss Sally Pinn, Miss Emily Rockwood, Miss Florence Easton, and Messrs. Morsell, Hoff, Keen, Adams and Francis, and the "Mendelssohn" Washington Orchestra will accompany them. To fact a complete Washington concert of the very highest character is to be given in Alexandria, and we mistake much if our people do not show their appreciation of the opportunity by a full house.

KNIGHTS TEMPLARS.—As heretofore announced in the Gazette, Old Dominion Commandery, Knights Templars, met at their Asylum last night, and proceeded then, under command of F. A. Reed, Eminent Commander; Joseph Hopkins, Generalissimo, and Matt. Kersey, Captain General, to Christ Church, where the usual services of the Episcopal Church were held, and a sermon preached by Rev. Sir Knight Wm. M. Dame, rector of the Church. The music was of a high order, and was produced by the excellent choir of the Church, assisted by Miss Goodie, of Norfolk, one of the most accomplished singers ever heard in Alexandria. The Knights presented quite a handsome appearance in their new and showy uniforms, and attracted a great deal of attention on their way to and from the Church. A very large crowd was in attendance on the ceremonies.

POLICE ITEMS.—The following cases have been tried since yesterday:

Virginia Redman, colored, for contempt of court, in failing to appear and prosecute a warrant sworn out by her, was made to pay the costs.

Edward Williams, colored, for being drunk on the street, was fined and discharged.

Wm. Davis, colored, for receiving goods knowing them to have been stolen and endeavoring to conceal them, was found guilty and held for sentence.

Officer Lawler, for arresting Henry Wood Davis, some time since, and releasing him upon the payment of \$1, was suspended indefinitely.

THE CANAL.—The Cumberland News says: "A rumor reached here yesterday to the effect that a break had occurred in the canal near Dam No. 6. Mr. C. W. Hammond, superintendent of the Cumberland division, knew nothing of the matter, but thought the story probably arose from the fact that on Monday the water had been drawn off the four and five mile levels, several miles above Dam No. 6, to remove bars that had accumulated in feeding. It was let on the next day, however."

Four loaded boats left Cumberland for this city on Thursday, consigned to the American Coal Company.

EASTER SUNDAY.

—To-morrow recurs the greatest of Christian festivals, that of Easter, or the Resurrection of Christ. The services in many of the churches will be of a peculiarly joyful and interesting character. The regular order of services at the various churches will be found in another place in to-day's Gazette. In addition to these, the children of the Sunday schools attached to St. Paul's and Grace Churches will have their usual Easter-lectures in the afternoon, the former at 7 o'clock and the latter at 3 o'clock. At that in Grace Church, an address will be delivered by Rev. Dr. Sprigg; medals will be awarded to the boy and girl who have brought in the largest number of schoolers during the year, and prizes will be given to meritorious scholars. The Easter carols will be sung by the children.

The musical part of the services, in this as well as other cities, has always been a prominent feature and a program in that respect. Below will be found a list of the musical exercises to be given in the various churches in which the day is specially observed.

Christ Church.—The choir here is composed of Prof. R. E. Heyman, organist and director; Miss Meta Stuart, soprano; Miss Kate Stuart, alto; J. M. Buchanan, tenor; F. P. Grimes, bass-o. The music selected is as follows:—

Morning Service.—"Christ the Lord is risen to-day," Millard; "Christ our Passover," Busk; "Gloria Patri," Handel; "Te Deum Laudamus," (in G flat) Thomas; "Gloria Tibi," Heyman; hymn 100, (Hymnal.) Syria, "At the Lamb's high feast we sing praise to our victorious King," hymn 102 (Hymnal.) Carnate, "Come see the place where Jesus lay, and hear angelic watchers say,"

Evening Service.—"G-d be with O thou great Jehovah," Emerson; "Gloria in Excelsis," Heyman; Cantata Domino, "Benedictio, anima mea," Jackson; hymn—; hymn—.

St. Paul's Church.—In this church Miss E. Virginia Evans is the organist and conductor; Miss Alice Diehl, soprano; Mrs. Samuel Gregg, alto; K. W. Wirt, tenor, and George E. French, bass. The following music will be sung:—Opening Anthem, "Easter," "Come see the place, &c.," Danks; "Christ our Passover," Chappell; "Gloria," Millard; "Te Deum," (in A.) Danks; "O be joyful," J. R. Thomas; hymn, "Christ the Lord, &c.," Warren; "Gloria Tibi," "hymn 424 Hymnal; "Trisagion," R. Taylor; hymn 94, church choir; "Gloria in Excelsis," selected.

Grace Church.—The choir of this Church has been recently re-organized, and is now one of the best in the city. It is constituted by Miss Florence Purcell, organist; Mrs. W. H. P. Barker, soprano; Miss Kate Jenkins, alto; Geo. McBurney, Jr., tenor; E. J. Evans, bass. The following attractive array of music is to be presented:—"Anthem," by H. P. Danks; "Passover," do; "Gloria Patrias," by Danks and Lorenz; "Te Deum," by G. W. Warren; "Jubilate," by P. B. Sparks; hymns 69, "Anthem," and 70 and 95, Common Praise; "Responses," from Beethoven; "Gloria Tibi," manuscript; "Trisagion," by Dr. Camidge; "Gloria in Excelsis."

St. Mary's Church.—The choir of this Church has also been re-organized and bids fair to be much improved. The members are Victor Becker, Jr., organist; Miss Helen M. Nevett, first soprano; Mrs. Moore, second soprano; Misses Walsh, Ashe, Breen and Nevett, alto; J. H. Wilkins, tenor; and H. C. Simpson, bass. The "Kyrie," "Gloria," "Sanctus," and "Agnus Dei" will be from Sells's Mass, and the "Credo," from Sells's Mass. At the Offertory, "Regina Celi," and for the closing hymn, "Hæc dies quæ fecit Dominus."

Baptist Church.—Preparations have also been made at the Baptist Church, where the choir is composed of R. L. Adam, organist and conductor; Mrs. Basley, soprano; Mrs. Medley, alto; G. T. Swann, tenor, and Joseph Rodgers, bass. The music will be as follows:—"Lift your glad voices in triumph on high," by H. P. Danks; "Blest morning whose young dawns rays behold our rising God," by J. Staudbridge; "To-day the Saviour rose, our Jesus left the dead," by Millard; "Praise the Lord O Jerusalem," by Sherman; "Angels rolled the rock away," by H. P. Danks.

Sudden Death.—The entire community was shocked this morning to hear of the sudden death, during the night, of Mrs. May H. Hooe, wife of Capt. P. B. Hooe, and daughter of John B. Daingerfield, Esq. Mrs. Hooe was enjoying her usual health yesterday, and attended church last night, after which she visited some of her relatives, and when she retired was apparently as well as ever. During the night she was awakened by a choking sensation, which, increasing, induced her to believe she was dying, and she so informed her husband, and upon waking her mouth with a badgerchief, after clearing her throat of what her husband supposed to be phlegm, and finding it stained with blood, said she regretted leaving him and her child—who was in the country—asked to be attended, and then became unconscious. Capt. Hooe at once summoned assistance and sent for Mrs. Hooe's father and mother, but a few steps distant, she was a corpse. Mrs. Hooe was well known and much respected for her many good qualities of mind and heart. Her husband, son and parents have the heartfelt sympathy of the whole city in their sudden bereavement. The cause of Mrs. Hooe's death is supposed to have been heart disease.

Suit for Alimony.—The Washington Republican says that Mrs. R. V. Mitchell filed a bill against Thomas R. Mitchell for alimony. She sets forth that she was married to defendant in Alexandria in July, 1872, and she has one child; that defendant has neglected to provide for their support, having contributed thereto but \$40, and in November, 1872, she was compelled to leave him and return to her mother's home. It will be remembered that the bill brought by the husband for a divorce on the ground of desertion was dismissed a few days since in the Equity Court with costs.

Riverton Mills Flour.—Good flour is probably the greatest delight of housekeepers, and since the introduction of the "new process" good bread is no longer difficult to obtain. Among the favorite brands we know of none that surpasses that manufactured by the Riverton Mills company, at Riverton, Warren county, Va. It is really beautiful to look upon and makes the most delicious bread. The Riverton Mills Flour can be had of nearly all dealers.

Fish Report.—Since yesterday there have been received at Fishtown about 1,000 shad, 75,000 herrings, and 200 bonnies of rock and perch. Shad brought \$20.25; herring, \$8.85 and bunch fish 25.35 cents. No boats arrived this evening, for want of a breeze to bring them, and several of the large shobos have consequently not been heard from.

Good Friday Services.—The usual Good Friday evening services were held at Grace Church, last night and was well attended.

At St. Mary's Church devotional exercises were conducted by Rev. Father Keating, and a Passion Sermon preached by Rev. Father O'Kane, the pastor of the church.

The Peach Crop.—The reported entire destruction of the peach crop by the cold snap three weeks ago turns out to have been based upon fears rather than facts, as many of the fruit growers residing near this city say their peach orchards were injured but little, if any.

Corporation Court.—Judge E. M. Love presiding. The court has been engaged during the whole of the day in hearing the argument on instructions in the case of Lewis, Sergeant, use, &c., vs. Clifton, which was still in progress when the report closed.

Messrs. Harrison & O'Neal are selling out their stock of goods by auction. See advertisement.

Local Brevities.

Arrangements are being made looking to the starting of the steamer Mary Washington (on her old route) about thirty families from the East are negotiating for homes with one of the large lands owners at Mount Vernon Spring landing, conditioned somewhat upon this means of communication.

The Alexandrians who went to Front Royal in the early part of the week to fish for black bass in the Chamondah, returned yesterday, bringing with them as the national result of their trip a fine lot of that splendid fish. They report their sport as excellent.

PERSONAL.—Senator John W. Johnston was in the city to-day on a visit to his colleague, Senator Withers, who is still confined to the house with his eyes.

He is a fool. We mean the man who lets his baby cry all night in the arms of its mother, and does not sleep a wink, when Dr. Bull's Baby Syrup will quiet the baby, relieve its pain; a bottle costing on, 25 cents.

Every fleet must have a caustic; so Billa, Pimples, etc., are the result of poor blood. Purify the blood by using Dr. Bull's Blood Mixture and banish such eruptions as those named.

BROWN BREAD.—Three cups of brown flour, two cups of corn meal, one cup of molasses, one cup of sweet milk, two teaspoons DOOLEY'S YEAST POWDER mixed with the flour and used dry. Steam four hours, and dry in the oven.
